

Number Bonds

The children have been learning about number bonds in Mathematics. They enjoyed using cubes to find out how many different ways they could make the number eight. They then recorded their number sentences on white boards.

Representing Numbers

Children in Year 1 are learning to represent numbers in different ways. They worked in pairs to practically represent numbers in words, numerals, cubes, pictures and counters, developing their conceptual understanding of numbers.

One Little Girl. One Big Hope – The Walk

Little Amal is a 3.5 metre marionette representing a nine year old Syrian refugee girl who has fled her war-torn country, embarking on a remarkable journey in search of her mother. She has traversed Europe for over four months, voyaging from Turkey and has reached UK shores in the final leg of an 8,000 kilometre journey, with the hope that 'The Walk' will bring much-needed attention to all those who seek refuge and shine a light on the millions of displaced refugee children Amal represents. Little Amal will arrive at London on Saturday 23rd October where she will visit some of London's iconic landmarks including St Paul's Cathedral and Shakespeare's Globe before celebrating her 10th birthday with us at Camden Town on Sunday 24th October where the Roundhouse have planned a birthday party and concert in her honour as she bids farewell to London. For more information and to support Little Amal's journey, please visit (<https://www.walkwithamal.org/>).
