

Budding Artists

The children in Year 1 demonstrated their natural talent and affinity for Art and enthusiastically took part in a very creative Information and Communications Technology (ICT) lesson! They explored various features in Paint including how to apply the paint brush and spray can, how to add stickers, and how to select different colours. Our budding artists used their new-found knowledge to design spectacular images and type their names in different formats, demonstrating a greater aptitude for Art!

Seasonal Change

To enhance their learning on seasons, whilst improving their fine motor skills, Reception children used scissors to cut out and stick images of different clothing items into the relevant categories for winter or summer. The children not only learnt how to use scissors responsibly but also explored different seasons, enabling them to investigate patterns and changes in the weather.

School Council Month

The month of November will be celebrated as School Council Month. At Brookside Primary School, we will be promoting pupils' voice through our newly established School Council and Leadership Teams for 2021 to 2022 from Reception to Year 6. The month's celebration began with a Pinning Ceremony where all school leaders received their respective leadership badges and mandated for the School year. The Leadership opportunities that were available through our Leadership and School Council this year were:

- Head Boy and Girl
- Deputy Head Boy and Girl
- Class Prefects
- Monitors
- Attendance Ambassadors
- Playground Ambassadors
- Nature and Eco Ambassadors
- Reading Buddy
- Teaching and Learning Ambassadors
- Media and Arts Ambassadors
- Charity Ambassadors
- Sports Ambassadors

During our School Council meeting, we will decide on spring and summer term activities in addition to other learning, health and safety and safeguarding activities that will be our priority for the School year.

During the week commencing Monday 29th November, the children in Years 1, 3, 4 and 5 will be carrying out their rising stars assessment tests. In order for us to help the children in their progress, it is extremely important that they attend school every day. Please also remember that a good breakfast is always an essential meal for children before school, but in particular when they are sitting tests. Research has shown that children who eat a healthy breakfast have improved alertness, concentration, mental performance, mood and memory. We wish all our children every success in their tests!
