Mobile Planetarium Show

On Tuesday 7th December, the children in Years 1 and 3 engaged in a unique, 360-degree, interactive learning experience at the Wonderdome Workshop as part of the Mobile Planetarium Show in school. The inflatable planetarium dome that was transported to the school created an enchanting environment that was completely dark and immersed the children in a wonderful experience of the universe. The children thoroughly enjoyed the show, learning about the solar system and capitalised on this opportunity to ask many interesting questions.

Great Fire of London

The children in Year 2 travelled back in time to Restoration Britain and engaged in activities that immersed them in history. They re-enacted the events from the Great Fire of London and the Black Death in a workshop hosted by the Crew Company and commemorated this "small mistake, but with great consequences" in 17th century London through a combination of drama and role-play.

All information regarding Christmas meals is available on iPayimpact. You will be required to log into your child's iPay account and select their meal preference at your earliest convenience.

Please ensure your child's account is topped up with sufficient funds if you would like them to enjoy the festive meal. Once this is received, staff will then be able to pre-order to guarantee your child's meal choice.

Christmas Pantomime

On Thursday 16th December, all the children will have the opportunity to enjoy the annual Christmas Pantomime. This year, they will be watching 'Aladdin'. We do not wish for any child to miss out on this great Christmas show so please ensure your child attends school. Thank you.

End of Term - Friday 17th December

Parents, guardians and carers are reminded that Friday 17th December is the last day of term and there will be an early dismissal at 12:00pm. School recommences for the Spring Term on Thursday 6th January.

Keeping Children Safe - Christmas Facebook Live

Online Safety is an important part of keeping children safe at school. In an ever-changing world, ensuring pupils' safety online has never been more important. As we continue to promote positive use of technology to ensure the safety of all our pupils, they need strict guidance to positively and safely access information on the internet, communicate via social networks, use applications and play games. On Monday 20th December at 7.00pm, The London Grid for Learning (LGfL) DigiSafe will be hosting a Facebook Live Question and Answer drop-in for all parents, guardians and carers whose children have access to any internet-enabled devices via @LGfLDigiSafe. Special guests and leading experts including Common Sense Media will attend to share advice on applications, games and the latest trends. There will also be a discussion about various topics including bullying, relationships and criminal/sexual exploitation. Sign up now at facebook.com/LGfLDigiSafe/posts to confirm your attendance.
