Easter Competition

To celebrate Easter, the whole school had the opportunity to participate in an Easter competition. During the competition, children from different year groups had different tasks to fulfil. Early Years were asked to design the most beautiful drawing of an Easter egg, while Key Stage 1 were tasked with creating a 3D Easter egg and Key Stage 2, a 3D Easter bunny. Needless to say, there were some excellent creative pieces handed in!

Jam Sandwiches

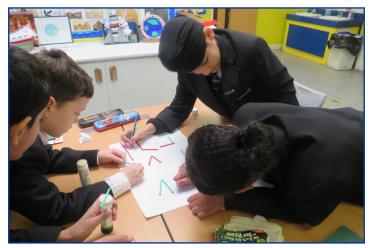

On Tuesday 29th March, Year 1 pupils who have been learning about following instructions - enthusiastically followed instructions to make jam sandwiches. They learnt about the importance of following instructions and how it can simplify tasks, increase effectiveness and eliminate confusion. They also learn about how it can impede the desired outcome of an activity if instructions are disregarded. The children enjoyed this activity and will record their instructions in the forthcoming lesson.

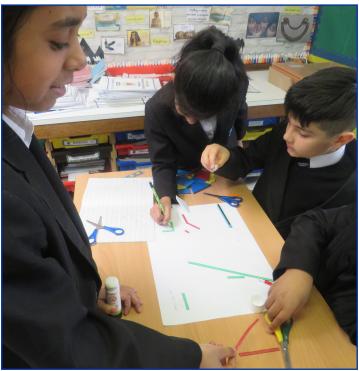

Learning About Angles!

Year 4 pupils have been learning about different types of angles and were thrilled to make, locate and identify them. This provided them with a solid knowledge of angles and how they are used in a variety of disciplines whilst underpinning their understanding of the world.

Metropolitan Police Citizenship Visit

The children in Years 4, 5 and 6 had a day full of engaging citizenship workshops led by members of the Hillingdon Metropolitan Police Department. Year 4 learnt all about handling situations related to Stranger Danger, Year 5 were engaged in discussions about Online Safety and Year 6 engaged in real-life lessons about Online Safety and 'Future Life' Knife crime, gangs and drugs. They truly enjoyed sharing their own experiences and explored how they will make better decisions when they may face these challenges.

Recycle, Re-Use - School Uniform

In order to tackle the rapidly growing global environmental challenges for a sustainable future, we aim to normalise the reusing of pre-loved school uniform in order to reduce our carbon footprint. This is a great opportunity for our school to embed environmental awareness within our school community, strengthen our green credentials and extend the lifespan of our uniforms whilst supporting a recycling culture.

Should you have any unwanted items of uniform in wearable condition, please donate these to your child's school to support our campaign for green initiatives whilst helping our families in need of support. Further details will be provided after the Easter Holidays.
