

## Year 3 Trip to LEGOLAND

Year 3 had a brilliant time at LEGOLAND on Friday 1st July. The children went on many rides and some had the chance to see the pirate show in Heartlake City. Our children had a lovely picnic after where they went to explore more of the park. Those who visited Miniland spent ages staring in amazement at the iconic landmarks from across the world made from LEGO bricks. They were able to make connections to concepts taught in Science, History and Geography lessons. It was truly an amazing and unforgettable experience.

## Alliance Challenge Week

From Monday 11th to Friday 15th July, the children will engage in a series of activities linked to Project Based Learning as a part of their Alliance Challenge. This will help them to develop their team building and communicative skills. It will also allow for them to consolidate what they are learning in lessons and share ideas across the key stages. All Alliances will display their work on Friday 15th July.

## Recycle, Re-Use - School Uniform

In order to tackle the rapidly growing global environmental challenges for a sustainable future, we aim to normalise the reusing of pre-loved school uniform in order to reduce our carbon footprint.

This is a great opportunity for our school to embed environmental awareness within our school community, strengthen our green credentials and extend the lifespan of our uniforms whilst supporting a recycling culture.

Should you have any unwanted items of uniform in wearable condition, please donate these to your child's school to support our campaign for green initiatives whilst helping our families in need of support.

For further details, please visit (<https://www.brooksideprimarysch.co.uk/171/re-cycle-and-re-use-uniform>). Thank you for your continued support.
