

World Smile Day!

The first Friday in October is recognised as 'World Smile Day'. It is a day devoted to spreading random acts of kindness and making others smile. At Brookside, we celebrated 'World Smile Day' by showing ways in which our pupils could make each other smile, such as making small gestures and writing notes that put big smiles on their faces.

Year 1 Trip!

On Friday 7th October, Year 1 went for a walk around the neighbourhood to learn about their local area. This is to enhance their understanding of the current Geography topic 'Around Our School'. The children were shown the different types of housing in their local area including flats, bungalows, semi-detached houses and terraced houses.

They also looked at the local shops and learned which goods and services they provide. The children were very well behaved and they learned a lot. The children liked to talk about their area and could name some of the places they have visited in Hayes. Well done Year 1!

Stay and Read!

Parents, Guardians and Carers will be invited to a reading workshop where teachers will model the expectations of reading at home. Parents, Guardians and Carers will be required to sit with their child, read through, and be shown how they can complete the reading records. Teachers will go through a range of comprehension strategies that can be used at home, as well as, additional links for supporting reading.

#AskAboutAsthma campaign by Healthy London Partnership

Did you know that children and young people with asthma should have an asthma action plan to help manage their condition? This is one of four #AskAboutAsthma asks which we want every Londoner to be aware of:

1. Get an asthma action plan in place
2. Understand how to use inhalers correctly
3. Schedule an asthma review – every year and after every attack
4. Consider air pollution and its impact on lung health

Together we can raise awareness around #healthinequalities and how to address them so every child and teenager has the right asthma care in place and go on to live a full, active life.

We are proud to support #AskAboutAsthma.

If you believe your child may be newly entitled to this benefit, or if they received it last year and you would like to reapply, please attend the School Office and request an application form. The School Office will also be able to advise any parents, guardians or carers who are unfamiliar with the process for claiming 'Free School Meals'. National Bullying Prevention Month

National Bullying Prevention Month is a month-long event to prevent childhood bullying and promote kindness, acceptance and inclusion. At Brookside Primary School, we all have a role to play whether we are children, parents, guardians or carers, teachers or school administrators. Positive change comes as we begin to emphasise respect and inclusion in our school and community. This month, try to reach out to a classmate, especially those who appear to be struggling. Children will not only learn about the different forms of bullying, but also how to report it when they see it in order to prevent others from suffering in silence. Talk to your child about bullying and please report all concerning disclosures to the Headteacher.

Black History Month

Brookside Primary is a diverse community. As we promote the 6Rs, and British values, so too, we celebrate what makes us different. Black History Month has been celebrated in the UK since 1987. The celebration is to stem racism and discrimination and promote equality. At Brookside Primary, we will be paying homage to people of black heritage who contributed and continue to contribute significantly to our society. We will start the month with a special assembly on Thursday, 6th October at 9:00am. Throughout the month, different year groups will research, and create posters, brochures and leaflets, on specially assigned black professionals in the health field for a grand display wall.
