

## Nursery's Stay and Play

Parents, guardians and carers had a fun-filled **Stay and Play** session on **Tuesday 17th October**. They engaged in a Power Point presentation that focused on holistic play and interactive activities for both parents and children. The activities included making cards, role-playing in the home corner, creating animal patterns, colouring pictures, riding bikes, and creating model animals and insects using clay. The children and their parents enjoyed the session together while having fun and learning at the same time.

## Early Years Phonics Workshop

On **Wednesday 18th October**, parents, carers and guardians of Early Years had an enjoyable time learning about **'how phonics is taught in Nursery & Reception'**. Miss Clayton and Miss Barrance demonstrated the Read, Write Inc. Programme, including how letter sounds are introduced, handwriting formation and how reading is taught through segmenting and blending. Strategies were also shared on how phonics can be taught at home. The workshop had a great turnout and we appreciate the parents' participation.

### Curious about shapes

In Nursery, the children learned about 2D shapes in their Mathematics class. They worked in groups and used their bodies to form various shapes such as circles, squares, triangles, and rectangles. The topic of 'Who I Am' was introduced and the children used different shapes to create eyes, noses and mouths on the tables. The activities were not only fun but also educational. Overall, the children had a great time while learning.

## Library Visit - Year 2

On **Thursday 16th November**, Year 2 pupils will be visiting **Yeading Library**. During the library visit, your child will have the opportunity to read and discuss stories. Parents, guardians and carers are invited to come along on this visit to learn more about the library and have an opportunity to register and join the Library.

## BBC Children in Need Charity Event – Non-Uniform Day

All parents, guardians and carers are invited to a **Cake Sale on Friday, 17th November** to support our 'Children in Need Charity'. As a school, we teach our pupils the importance of giving back within the society, especially to those who are less fortunate. Children in Need Charity is now in its 36th Year! We look forward to continued parental support as you make a difference in someone's life. Show how you can Be Spotacular!

## Years 1 & 2 Phonics and 6 SATs Practice Papers

We would like to remind parents, guardians and carers that children in **Years 1 and 2 will practise for their Phonics tests**, whilst **Year 6 will sit mock SATs papers** during the week commencing **Monday 13th November**. It is also extremely important that they attend school every day. Please also remember that a good breakfast is always an essential meal for children before school, but in particular when they are sitting any form of assessments. Research has shown that children who eat a healthy breakfast and have a good night's rest have improved alertness, concentration, mental performance, mood and memory. We wish all our children every success in their tests!

## UK Parliament Week 2023

**UK Parliament Week** is an event which has taken place every year since 2011. It informs young people about the role and work of the UK Parliament and encourages them to get involved. Throughout the week of **Monday 6th to Friday 10th November**, we will be running special activities to promote pupils' voice, such as debates, voting activities, creating petitions, selecting our Student Council Body and Class Leader Representatives. Parliament Week encourages young people to consider what issues are important to them and empowers them to share their thoughts and ideas.

## World Food Day & Harvest Festival Collection - Donating Items

In celebration of **World Food Day and Harvest Festival**, we will be supporting our local food bank. It is more important than ever for us to be able to donate to the Food Bank given these uncertain times, no matter how big or small the donation. We would appreciate donations of any items from the list below:

- |                          |                            |
