# Welcome to the Spring Term!

Our **Spring Term** started with parents, guardians and carers coming into school for their termly **Parent Consultation Meetings**. It was a tremendous success, as teachers and teaching partners were able to speak on the strengths and areas for the improvement of each child.

രി

Parents, guardians, carers and pupils alike were all smiles as they returned for the first day of school and the pupils enjoyed an engaging welcome back morning assembly as they explored the R of the week-**Reflective**. We look forward to a very productive Spring Term.

Year 1 Sandwich Delights

On **Monday, 18th December**, **Year 1** followed instructions carefully to make their own jam sandwiches. The children have been learning about instructions as part of their English lessons. Year 1 was excited to see that they would be using instructions in a practical way. This helped them to understand why and how we use instructions in the real world.

Following this activity, the children were able to write their own instructions to make a sandwich using the features of this genre, e.g. numbering the instructions and writing them in sequence, using time related phrases and imperative verbs in context.

Ingredients
Get a tat off Jam.
That two brais.
Get one Plate.
Get a sarof with .
Get a knite.
Method
1. First: Get one Plate. Next: Get two brends.
2. get a Knife and spread
the jame
<u>3. Then: Get the Knife and</u>
4. Then: put the other brend on
tope
5. Finally: put the Sandwich in the
Oven and chorary your Bleak too

# Artists in the Making!

Our **Breakfast Club** and **Art and Craft Club** children entered their creative drawings of their imaginative pets in the **"Perfect Pets" Competition**.

We are happy to announce that over 60 submissions were successfully chosen to represent the school and have their artwork published in the fantastic collection on the **15th of January 2024**. The co-ordinator was impressed with the creative artwork and interesting pet names which kept her and her team thoroughly entertained. Congratulations to our budding artists!

# Years 1 & 2 Phonics and 6 SATs Practice Papers

We would like to remind parents, guardians and carers that children in **Years 1 and 2** will practise for their **Phonics tests**, whilst **Year 6** will sit **mock SATs papers** during the week commencing **Monday**, **15th January**. It is also extremely important that they attend school every day. Please also remember that a good breakfast is always an essential meal for children before school, but in particular when they are sitting any form of assessments. Research has shown that children who eat a healthy breakfast and have a goodnight's rest have improved alertness, concentration, mental performance, mood and memory. We wish all our children every success in their tests!

# **Boosters and After School Fun Clubs**

**Booster sessions** will commence on Wednesday, **15th January** and will be ongoing throughout the course of the term. Teachers will invite targeted children to attend these booster sessions in order to help develop their understanding and knowledge in Mathematics, Reading Comprehension, Grammar, Phonics or Writing. Please be advised that booster sessions take place in the morning at 8:15 a.m. for **Reception to Year 5** and 3:30 p.m. in the afternoon for **Year 6**.

In addition, After School Fun Clubs will proceed from Wednesday, 31st January to the end of the Spring Term. To ensure that each child gets a fair opportunity to participate in a fun club, fun clubs will be limited to one club per child. Therefore, please state your order of preference when signing up. Thank you.

# Young Voices Parent Meeting

On Wednesday 17th January, we will be holding a meeting at 4:00 p.m. in the Infant Hall regarding the Young Voices Concert which is taking place on Friday, 2nd February. At this meeting, we will be providing relevant information about the running of the day. If your child is taking part in the Young Voices Concert this year, please ensure you attend the meeting. Thank you.

#### **Stay and Read**

Parents, Guardians and Carers, you are invited to a reading workshop where teachers will model the expectations of reading at home. Parents, Guardians and Carers will be required to sit with their child, read through, and be shown how they can complete the reading records. Teachers will go through a range of comprehension strategies that can be used at home, as well as, additional links for supporting reading at home. Please see below for the dates of each session:

# School Uniform - Cold Weather

Now that the weather is getting wetter and colder, we will need to work together to make sure that our standard of uniform does not slip. Whilst it is helpful and sensible for children to come to school in warm coats, jumpers and even Wellington boots, they must have their full school uniform (including blazers) and black school shoes with them every day. Thank you.

To ensure your application arrives on time and to give your child the best possible chance of being offered the school of your choice, we would advise that you submit your applications before the Christmas holiday period. Further information can be found at (www. hillingdon.gov.uk/primary). You should have received information about applying for your child starting primary school via email.

# Attendance- Importance of Good Attendance

We would like to remind parents, guardians and carers that research shows there is a clear link between the attendance rate of children at school and their level of attainment. Please support your child to attend regularly by ensuring that any medical or other appointments are organised out of school hours. The expectation of the governing body is that all children will achieve a minimum annual attendance rate of 96%.
