Pirates Workshop

Year 1 pupils have been learning about pirates in their History lessons. The pupils were honoured to have the 'Pirate Man' in school to facilitate an informative, exciting and engaging pirate workshop. The pupils learned about who pirates were and how they affected the lives of others. They were extremely tickled by the entertainment provided by the pirate puppet show and went on to display their creative flair by making their own pirate puppets!

The Rough Tough Pirates of Year 1

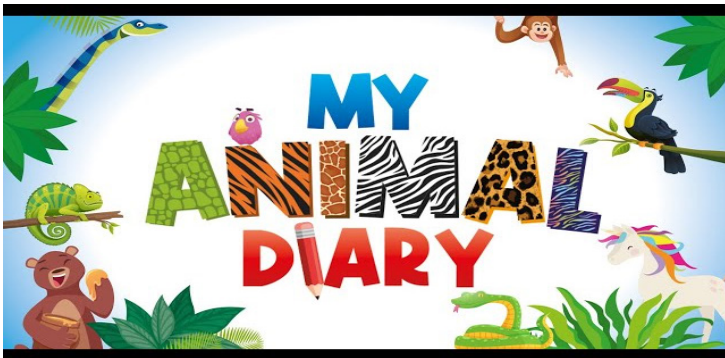

Brookside Primary was invaded by the little, rough and tough pirates from Year 1 on Wednesday 22nd May. Parents, guardians, carers and members of the Brookside family were privileged to watch our brave pirates perform their engaging 'Pirate Assembly'. The fun did not end there for our brave little pirates. It carried on when they created and designed their own pirate ships and went on an exciting treasure hunt to find the buried treasures.

Key Stage 1 Young Writers Achievements

During the Spring Term, our Year 1 and 2 pupils entered their writing pieces in the **“My Animal Diary- Amazing Imagination” Young Writers Competition**. We are happy to announce that 23 of them were successfully chosen to represent the school and have their entries published in the fantastic collection on the 31st August 2024.

Congratulations to these pupils and their teachers for all their hard work as they showcased what “pawsome writers” they are.

Year 2 Historians

Class Ankara was excited about telling their parents, guardians and carers about what they have been learning in Year 2 in a class assembly. They acted out various scenes about the Great Fire of London, scrumptious Chocolate and the seaside, with the message that the seaside is a fun place to be for a holiday. The pupils also took us back in time through their History learning to when a whole factory was closed during the Victorian era, so the workers could go on a holiday trip to the seaside. It was a proud moment to see the resilient Year 2 Ankara pupils confidently speaking their lines with enthusiasm. They showed true energy and spirit as they performed and danced their various themed songs.

Rising Stars Assessment and Phonics Screening Week

Rising Stars Assessment and Phonics Screening Week will take place from **Monday 10th to Friday 14th of June**. Therefore, it is extremely important that your child attends school every day and arrives on time. This will assist us further to identify and address any gaps in the children's learning.

Please also remember that a good breakfast is always an essential meal for children before school, but in particular when they are sitting tests. Research has shown that children who eat a healthy breakfast have improved alertness, concentration, mental performance, mood and memory.

Compass Workshop – Year 6

On **Friday, 14th June**, the Year 6 pupils will be taking part in a Compass Workshop which will be led by Hewens College Students and their Mathematics teacher. Please ensure that your child does not miss out on this engaging learning experience as they learn valuable skills in preparation for secondary school!

Preparing for the Change in Weather

Now that the weather is getting warmer, please ensure that your child comes to school wearing sun cream, particularly on sunny days (which should be applied before coming to school) and is equipped with a bottle of water and a hat, as they will be taking part in a lot more outdoor activities. Thank you.

Advance Notice: Sports Day

During the week commencing **Monday, 17th June**, Brookside Primary will be celebrating **National Sports Week** by dedicating this week to Sports.

On Tuesday, 18th June, we will be hosting our Nursery Sports Day and Wednesday, 19th June our Reception Sports Day.

On Thursday, 20th June we will be hosting our Key Stage 1 Sports Day and Friday, 21st will be for Key Stage 2.

All Sports Days will be held on our school playfield and all parents are welcome to come, watch and cheer. Please see further information below for allocated times.

Date	Time	Year Group
Tuesday, 18th June	9:15 a.m. to 11:15 a.m.	Nursery AM
Tuesday, 18th June	12:45 p.m. to 2:45 p.m.	Nursery PM
Wednesday, 19th June	9:15 a.m. to 11:15 a.m.	Reception
Thursday, 20th June	9:15 a.m. to 11:15 a.m.	Years 1 & 2
Friday, 21st June	9:15 a.m. to 11:15 a.m.	Years 3, 4, 5 & 6

All pupils are required to wear the full and correct Physical Education (PE) Kit for Sports Day. If your child requires a PE Kit, please make sure you place an order via iPayimpact. All pupils will also need their own water bottle which must be clearly labelled with their name.

Year 3 Ottawa's Parent Assembly

In History, we have been learning about the Romans, why they invaded Britain in AD 43 and what they have left behind. Ottawa's Assembly will focus on the mighty Romans and their enduring legacy in Britain. Pupils will share the knowledge learned about the fascinating history of Roman innovations, from their impressive towns, baths, buildings and roads to their profound cultural contributions. On **Thursday, 20th June at 9:10 a.m.**, we invite all parents, guardians, and carers to come and learn how the Romans shaped the Britain we know today and how their influence is still felt in our modern lives. We look forward to sharing this captivating and educational presentation with all of you!

Multiplication Tables Check – Year 4

Up until **Friday 14th June**, the Year 4 pupils will be taking their Multiplication Tables Check (MTC) at school. The MTC is a Key Stage 2 assessment to be taken by pupils at the end of Year 4 in June. **It is an online test where children are asked 25 questions on times tables from 2 to 12.**

For every question, pupils will have 6 seconds to answer, and in between the questions, there is a 3-second rest. Questions about the 6, 7, 8, 9, and 12 times tables come up more often. The questions are generated randomly based on the rules of the MTC. The purpose of the MTC is to ensure pupils' time tables knowledge is at the expected level.

Parents, guardians and carers are being asked to ensure that the children practise on Times Tables Rock Stars (TTRS) which will be of great benefit in preparing them for the Multiplication Tables Check. We suggest practising 10 to 15 minutes a day for optimal results. Good luck!!
