

Nursery Family Picnic

The Nursery pupils and their parents, guardians and carers, had a wonderful day during their "People who help us" Family Picnic Day. Families, along with the teachers, played a variety of games, danced to some vibrant music and enjoyed each other's delicious delicacies in the great weather. We would like to thank our parents, guardians and carers for their continuous support.

Natural History Museum

On Monday 24th June, Year 6 had a fantastic trip to the Natural History Museum in Central London. The trip was organized as part of their learning on Evolution and Inheritance in Science. While they were there, they took part in an engaging workshop that answered three main questions: *What is evolution? How does evolution happen? Why does evolution happen?* The pupils were able to show off their knowledge and understanding to answer all these questions. The workshop was a mixture of discussion and practical activities. While at the museum, they were able to look at some of the fossils that were collected by the famous scientist Mary Anning. It was a wonderful experience in which the pupils very much enjoyed.

Travelling through the Solar System

Year 5 Dakar presented a vibrant assembly that they should be really proud of. The pupils researched about the Solar system in their Science lessons and came up with their own script for their assembly. The assembly was packed full of fascinating facts and information about the Solar System, astronauts and constellations. Class Dakar truly managed to weave together Science, drama, and music into a seamless performance that was both entertaining and educational. There is no doubt that they have inspired many of their peers to learn more about the fascinating world of the planets and stars.

Summer Reading Challenge Assembly

On Monday, 1st July, representatives from the Yeading Library visited the school to promote this year's Summer Reading Challenge under the theme- 'Marvellous Makers!' and it's all about celebrating children's creativity. An engaging presentation was followed by encouraging the children to participate in this summer's reading challenge in order to improve their reading skills and encourage reading for enjoyment over the summer holidays. In order for your child to participate in the Summer Reading Challenge, they must be registered with the Hillingdon Library Service.

End of Term – Friday, 19th July

A reminder to all parents, guardians and carers that Friday, 19th July is the last day of term. Children will be dismissed at staggered times starting from 11:30 a.m. Please see below for times:

Year Group	Pick-Up Time
Nursery AM	11:30 a.m.
Reception, Years 1 and 2	11:45 a.m.
Years 3, 4, 5 and 6	12:00 p.m.

Please note that the afternoon Nursery session will not be open. Thank you.

Uniform Orders

Parents, guardians and carers are advised to log in to iPayimpact and purchase their uniform for the new academic year before the Summer holiday break. This will ensure all children have their uniform before the first day back in September and avoid any delays with exchanges. If you are experiencing any issues with iPayimpact or you are not yet registered, please contact the School Office.

School Reports and Other Information

Please note that all children will be given their school reports, parent consultation time and other important information on Friday, 19th July. It is very important your child is in school on this day to avoid missing out on any vital information. If you do not receive your child's school report and other information on this day, please make immediate contact with the school office. Thank you.

Summer School

On **Monday 22nd and Tuesday 23rd July**, we will be running the Summer Activities sessions for those children who have been sent an invitation. This is from 9:30 a.m. to 1:30 p.m. Children can come in their own clothes and will need to be provided with a pack lunch and water bottle. Thank you.

Brookside Got Talent

This is just a friendly reminder that on **Friday, the 12th of July**, we will be holding our annual 'Brookside Got Talent' assembly. During this event, each class will have the opportunity to showcase their talents in the Junior Hall, with all year groups in attendance. It's a great chance for both the children and staff members to come together and celebrate everyone's abilities.

Wider Family Learning Summer Holiday Workshops

<https://trhat.co.uk/wider-family-learning-summer-holiday-workshops-2024/>

Are you looking to keep the children engaged this summer break, then why not enrol onto some of family workshops at **Learn Hillingdon**.

Sessions are for 1 adult with up to 2 children (Please see minimum age for the sessions).

To book a space email familylearning@hae-acl.ac.uk or call **01895 556252** as spaces are limited.

Recycle and Re Use Uniform

As the summer term is coming to an end, please consider recycling your child's pre-loved uniform by donating it back to **Brookside Primary School** to support a family in need of updating their child's uniform for September. The donation/collection point is located at the **Brookside Primary School's Reception**. Pre-loved uniforms will be available for free throughout the school year for our parents, guardians and carers in need of support. Parents, guardians and carers are encouraged to contact the School for access to these uniforms. Uniform in wearable condition can be donated to and collected from the School at any time.

If your child's school's uniform is irreparable, it can be upcycled into new and transformed items. You can recycle irreparable uniforms through a number of routes via charity shops, recycling banks or your local **HWRC (Household Waste and Recycling Centre)**. This will give irreparable uniforms a new lease of life which will have a positive impact on the environment.

Water Safety

Keep you and your family safe around water. London Fire Brigade wants everyone to enjoy their hobbies and activities on or close to water, and to be safe but we know that drowning in the UK is one of the leading causes of accidental deaths. Knowing how to avoid various hazards, what to do in cold water and how to respond quickly and safely in an emergency can save lives. Visit our website and download the Water Safety Booklet: <https://trhat.co.uk/water-safety-booklet/>
