

### English in Action!

This term in English, pupils from Year 3 are learning the skill of comparing between folklore and modern stories. Pupils from Year 3 Ottawa worked diligently in comparing and contrasting the two stories and were brave enough to share their published work in front of peers. They furthermore, explored the similarities and differences between: Cinderboy (the modern version) and Cinderella (the folklore). Pupils from year 3 learnt the important skill of public speaking along with active listening skills. Moreover, pupils were engaged in follow up discussion to recall key similarities and differences in their writing. Year 3 Ottawa is grooming the next set of world-renowned authors!

### The Grove Hotel – NFL Sporting Clinic

On Friday 4th October, Year 5 and 6 students were giving a fantastic opportunity to attend a NFL flag sporting clinic hosted by the Minnesota Vikings NFL team. Firstly, they were given inspiring talks by three former NFL players. They then got to take part in a wide range of NFL flag football activities including passing, throwing and even tackling (the tackling drill was a firm favourite of all the children).

After the drills, the children had the unique experience of forming a guard of honour for the Minnesota Vikings players as they headed out onto the practice field. As part of the experience the children received a Minnesota Vikings t-shirt, mini football and bag. It was an experience the children (and adults) won't forget.

### School Uniform - Cold Weather

Now that the weather is getting wet and cold, we will need to work together to make sure that our standard of uniform does not slip. Whilst it is helpful and sensible for children to come to school in warm coats, jumpers and even Wellington boots, they must have their full school uniform (including blazers) and black school shoes with them every day. Thank you.

### Practical Pedestrian Training – Year 4 and 5

Tuesday 15th October and Wednesday 16th October, the Year 4 and Year 5 children respectively will be taking part in the Practical Pedestrian Training which is delivered by the STARS Teams from the London Borough of Hillingdon. The practical pedestrian training is a part of the school's efforts to promote and encourage road safety along with an active and sustainable travelling experience.

### Individual School Photographs - Monday 21st October

The School's photographer is scheduled to visit on Monday 21st October 2024 to take individual photographs of the children. Please ensure that your child/children are in full school uniform, which includes black shoes, blazer and ties (for boys). We are unable to provide your child with missing items of uniform on this occasion. For those who have Physical Education (PE) on this date, please note that this lesson will be cancelled. As such, your child must attend school in full school uniform and appropriate school shoes.

### Year 4 Trip to SEALIFE London

Pupils in Year 4 have been learning about different habitats and animals during science lessons. To consolidate what they have learnt, they will be going to the Sea Life Aquarium on 8th November 2024. At the Aquarium, pupils will see oceanic animals in their habitats. This experience will broaden their learning and their understanding of underwater animals and their environments. They will be able to point out the difference between mammals and fish. We hope this experience will give the pupils a better understanding of their scientific learning.

### Parent Governor

We are seeking a new Parent Governor to join our school's governing body. This is a fantastic opportunity for a parent to play a key role in shaping the future of our school and supporting the continued success of our students. If you are interested in making a positive impact and would like to be considered for this position, please contact the school office for more information. We would love to hear from you!
