

Practical Pedestrian Training - Year 4

On Tuesday 15th October, pupils in Year 4 took part in the Indoor and Outdoor Practical Pedestrian Training sessions delivered by the STARS Team from the Hillingdon Borough. The pupils were split into small groups and learnt about road hazards, how to keep themselves safe when walking on the pavements and crossing roads, particularly busy ones. Once they received their initial training, pupils put into practice all they had learned. They were very engaged throughout the session and gained valuable knowledge on how to be responsible pedestrians.

Year 2 Explorers!

On Tuesday 22nd, and Thursday 24th October, Year 2 pupils went for a walk around the Hayes Town to learn more about their local area. This was to enhance their understanding of the current Geography topic 'Around our School'. The children were shown the different types of centres and shops including the leisure centre, corner shops, grocery shops, bakery, library ect. Pupils visited the local shops and learnt which goods and services they provide. By the end of the day, pupils were able talk about their area and could name some of the places they have visited in Hayes.

Building London Landmarks in Year 3!

Year 3 pupils were asked to construct London landmarks out of recycling materials they could find at home as a way to consolidate their learning in Autumn Term 1. Using their builder's hats, pupils in Ottawa build 3D models of the iconic locations including the London Eye, Big Ben, and the recognisable Red Telephone Box. As our Year 3 pupils displayed their finished models, they were beaming with pride. They were committed to bringing our Geography landmark exploring to life. We also recognise the collaborative efforts of our amazing parents. Teamwork truly makes the dream work!
