Year 4 Explore Ancient Egypt!

On Tuesday 25th February, our Year 4 pupils took part in an exciting Ancient Egypt Workshop led by CREW®. Through dramatic role-play and hands-on activities, the children became archaeologists, uncovering artefacts and discovering what life was like under the rule of Pharaohs and Gods. From scribes to warriors, each child had a role to play in bringing Ancient Egypt to life. It was a fantastic experience that deepened their understanding of this fascinating civilization!

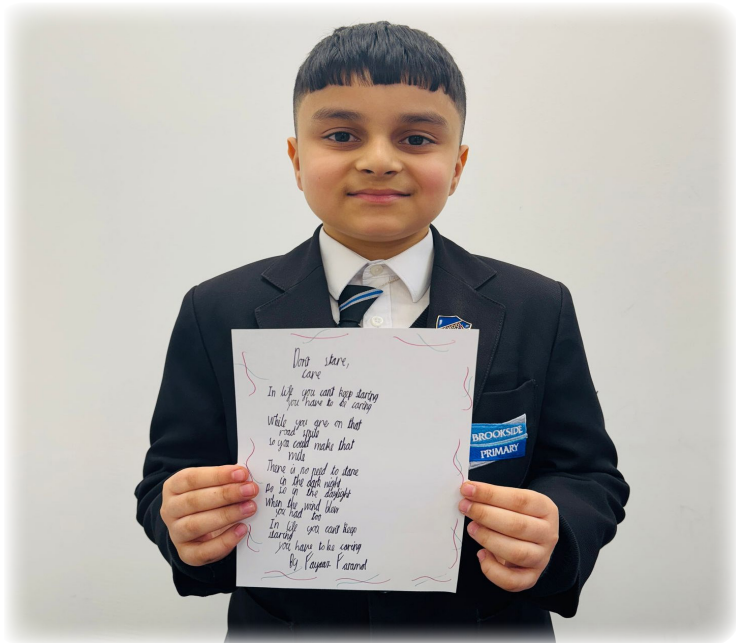

Living Things and their Habitats!

Year 2 is learning about Living Things and their Habitats in Science. The children truly enjoyed completing their projects and models at home with their families of different habitats and the plants and animals that live there. These habitats included the polar, rainforest, desert, ocean, pond, urban, and woodland. They were happy to share with their teachers and classmates the facts they researched about living things and their habitats to accompany their models. Fantastic job, Year 2!

Year 4 Pupil Shines with Inspiring Poetry

The children in Year 4 are currently learning about Poetry. One of the pupils in Year 4, Class Kuala Lumpur was so inspired and wrote an amazing poem about life for his Free Writing Task.

Year 5 Bake Viking Pancakes!

This week, Year 5 stepped back in time to explore Viking cuisine by baking traditional pancakes topped with blueberries. As part of their history, food technology, and English lessons, they followed a simple, authentic recipe using milk, eggs, flour, and blueberries—ingredients Vikings would have had. The classroom buzzed with excitement as they mixed, cooked, and tasted their creations, developing teamwork and baking skills along the way. Well done, Year 5—future bakers and historians in the making!
