

Parent Consultation

We began the summer term by welcoming parents and carers into school for our consultation meetings. These sessions provided a valuable opportunity to discuss each child's progress, celebrate their achievements, and set goals for the term ahead. We appreciate the strong home-school partnerships that continue to support our students' learning and development. Thank you to all who attended and contributed to these meaningful conversations.

Fire Safety Workshop

On Friday 25th, we were delighted to welcome a fire-fighter from the London Fire Brigade who delivered engaging classroom workshops for our Year 2 and Year 5 classes. The sessions focused on fire safety and included creating a home fire plan—helping children understand how to stay safe and what to do in an emergency. The workshops were interactive and informative, and the children left with valuable knowledge they can share with their families.

London TCS Mini Marathon Success

On Saturday 26th April 2025, our pupils made us incredibly proud by taking part in the London TCS Mini Marathon. Their enthusiasm, determination, and sportsmanship were truly inspiring. Several of our runners were awarded medals for their efforts, which were proudly presented during Monday's assembly on 28th April. A huge well done to all who took part—you represented our school brilliantly!

Notice from Hillingdon - Online Parenting Support

We understand that getting support as a working parent to young children can be challenging. That's why the Hillingdon Family Hub Network has created an online parenting offer specifically designed to support working parents.

Workshops and courses are available both during the day and in the evening and delivered by qualified early years staff in an engaging and non-judgemental manner.

Our workshops cover essential topics such as:

- Fussy Eating
- Toilet Training
- Behaviour Strategies
- Support for parents transitioning their children into childcare and/or school

Additionally, we offer two comprehensive online parenting courses:

- Exploring Parenting Together - A fun five-week course designed to help parents improve their relationship and behaviour with their children.
- Ducklings - A four-week course aimed at supporting parents who have a child newly diagnosed with autism spectrum condition or who is awaiting an assessment with the Child Development Centre.
