

Stay and Read

Last week, we welcomed our wonderful parents, guardians, and carers into school this week for our Stay and Read session. It was a joy to see so many of you sharing stories, reading aloud, and enjoying quality time with your children in the classroom. These moments not only help build a love of reading but also strengthen the home-school connection that is so important to your child's learning journey.

Science Star in Year 4!

We're thrilled to celebrate one of our brilliant Year 4 pupils who created an amazing science project that truly wowed us all! Their project showcased creativity, curiosity, and a deep understanding of scientific concepts. Well done — your hard work and enthusiasm have inspired us all!

Year 5 Music Magic

Our Year 5 pupils had a fantastic time during their music instrumental lesson this week as they continued learning to play the ukulele! The classroom was filled with excitement (and a few happy strums!) as pupils built on their skills, practised new chords, and even played simple tunes together.

Year 5 Vikings Workshop!

On Friday 2nd May, Year 5 took part in an exciting Viking workshop. Pupils explored the Viking raids, including the attack on Lindisfarne, and learned about Viking gods, weapons, and tactics. Through role play and hands-on activities, they discovered how invasion, settlement, and the Danelaw shaped Britain before 1066. A fun and engaging way to bring history to life!
