

Year 1 Set Sail on a Pirate Adventure!

Our Year 1 pupils recently wowed us with their fantastic Pirate Assembly, following an action-packed Pirate Workshop Day! The pupils explored the world of pirates through fun facts, role play, and even a hilarious puppet show. They learned about pirate life, famous legends. Inspired by the workshop, the children created their own pirates and brought their learning to life in a lively and creative assembly. It was an amazing success—full of laughter, learning, and a whole lot of “Ahoy!”

Seaside Adventures with Year 2

On Tuesday 20th May, our Year 2 pupils transported us to the seaside with their wonderful class assembly. Through songs, facts, and lively performances, they shared what they've been learning about seaside.

Reception Superhero Day – A Day to Remember!

On Friday 23rd May, our Reception pupils took part in a fun and inspiring Superhero Day. The pupils arrived dressed as their favourite superheroes, princesses, and even real-life heroes like doctors, nurses, and firefighters. It was wonderful to see their creativity and confidence shine as they celebrated the heroes they admire. A big thank you to all parents, guardians and carers for helping make the day so special!

Rising Stars Assessment and Phonics Screening Week

Rising Stars Assessment and Phonics Screening Week will take place from Monday 6th to Friday 13th of June. Therefore, it is extremely important that your child attends school every day and arrives on time. This will assist us further to identify and address any gaps in the children's learning. Please also remember that a good breakfast is always an essential meal for children before school, but in particular when they are sitting tests. Research has shown that children who eat a healthy breakfast have improved alertness, concentration, mental performance, mood and memory.

Multiplication Tables Check – Year 4

Up until Friday 13th June, the Year 4 pupils will be taking their Multiplication Tables Check (MTC) at school. The MTC is a Key Stage 2 assessment to be taken by pupils at the end of Year 4 in June. It is an online test where children are asked 25 questions on times tables from 2 to 12. For every question, pupils will have 6 seconds to answer, and in between the questions, there is a 3-second rest. Questions about the 6, 7, 8, 9, and 12 times tables come up more often. The questions are generated randomly based on the rules of the MTC. The purpose of the MTC is to ensure pupils' time tables knowledge is at the expected level. Parents, guardians and carers are being asked to ensure that the children practise on Times Tables Rock Stars (TTRS) which will be of great benefit in preparing them for the Multiplication Tables Check. We suggest practising 10 to 15 minutes a day for optimal results. Good luck!

Advance Notice: Sports Day

We are excited to announce our upcoming Sports Days, which will take place throughout the week beginning Monday, 16th June. On Monday, we will be hosting our Nursery Sports Day, followed by Reception on Tuesday, 17th June. Year 1 and Year 2 will have their Sports Day on Wednesday, 18th June. On Thursday, 19th June, Year 3 and Year 4 will take part in their Sports Day, and on Friday, 20th June, it will be the turn of Year 5 and Year 6.

All pupils are required to wear the full and correct Physical Education (PE) Kit for Sports Day. If your child requires a PE Kit, please make sure you place an order via iPayimpact. All pupils will also need their own water bottle which must be clearly labelled with their name. We look forward to welcoming families to cheer on the children and celebrate their efforts and achievements.
