

## Reception Starters Presentation

On Thursday 26th June, we were delighted to welcome parents, guardians and carers of children who will be joining Reception in September 2025 for our Reception Starters Presentation. The session was both informative and engaging, offering families a clear understanding of what life in Reception at Brookside Primary School is like. Attendees had the opportunity to meet key members of the Early Years team, explore the learning environment, and gain insight into our daily routines, expectations and the exciting journey ahead for their children. We are thrilled to be welcoming such a wonderful group of new children and families to our school community, and we look forward to supporting them through a smooth and positive transition into Reception this autumn.

## Year 4 Explore Ickenham Village

Last week, our Year 4 pupils enjoyed a local area walk as part of their learning about communities and local history. The class visited Ickenham Village, where they observed the small shops along the high street and got a feel for how a traditional village centre looks. As they walked towards Ickenham train station, the pupils spotted houses with large gardens, giving them insight into how housing can vary across different areas. Along the way, they also discovered some fascinating historical features, including a water pump from the 1860s, a classic red telephone box and a peaceful village pond. It was a lovely opportunity to connect classroom learning with real-world experiences and to appreciate the local history and charm of Ickenham.

## Adventures Around Hayes!

Year 4 recently took a walk through Hayes Town, where they spotted many familiar shops and fast-food restaurants along the way. The pupils observed numerous bus stops and visited the train station, watching many trains passing through. Their journey continued through the industrial area, where they saw tall high-rise buildings and ongoing construction work, giving them a glimpse of the town's development and growth. The walk finished by the river/canal, where the pupils enjoyed seeing boats gently drifting along the water. This exciting outing helped the pupils connect with their local community and see the variety of environments in Hayes.
