## We Shone Bright For Hello Yellow

On Friday 10th October 2025, our school was filled with brightness and positivity as students and staff came together to celebrate Hello Yellow, a special day dedicated to raising awareness about mental health. Everyone showed their support by wearing yellow, a colour that symbolises hope, positivity, and energy. The day was not only vibrant and joyful but also served as an important reminder of the need to care for our mental well-being.

Wearing yellow was a simple yet powerful gesture that united our community in support of mental health awareness. Together, we continue to promote a culture of kindness, understanding, and support. Let us all keep the spirit of Hello Yellow alive by checking in with one another, practising self-care, and remembering that it is always okay to ask for help when we need it. A huge thank-you to everyone who came along and made the morning so special!

On Thursday 9th October, 16 pupils from Key Stage 1 and Key Stage 2 were invited to take part in a Panathlon event. The pupils took part in a range of fun and engaging activities and tasks designed to promote teamwork, confidence, and physical skills. Everyone showed fantastic enthusiasm and determination throughout the day, supporting one another and representing our school with pride. We are extremely proud of their efforts and positive attitude – well done to all who took part

### Celebrating Black History Month

This Black History Month, our pupils have been learning more about their identity, standing firm in their power and pride, and recognising the strength that comes from knowing who they are. Through stories and discussions, they have explored the remarkable leadership and positive changes made by Black individuals past and present. Pupils have reflected on how these inspiring figures continue to shape our world, encouraging them to lead with confidence, celebrate their heritage, and use their voices to make a difference.
