

## A Strong Start to the New Term Parent Consultations

We were pleased to start the new academic year with a positive and engaging return to school. On Tuesday 2nd and Wednesday 3rd September, we welcomed families back with our first Parent Consultation sessions of the year. These meetings provided a valuable opportunity for parents, guardians and carers to meet with teachers, discuss their child's progress and set clear goals for the term ahead. It was great to see so many of you attend and actively engage in conversations about how we can work together to support each child's learning and wellbeing. We thank all parents, guardians and carers who took the time to attend and contribute to such a strong and purposeful start to the term.

## Welcome to Our New Reception Pupils

We are delighted to welcome our new Reception children as they begin their exciting journey into primary school. The children have settled in wonderfully over their first few days—exploring their new classrooms, getting to know their teachers and classmates, and becoming familiar with the school environment. It has been a joy to see their confidence grow so quickly! A special milestone this week was their first school lunch, which they approached with big smiles and lots of enthusiasm. They are already showing great independence and curiosity, and we are so proud of how well they are adjusting to school life.

### **Booster Lessons – 16th September 2025**

Booster sessions will commence on 15th September 2025 and will continue throughout the term. These sessions are designed to support selected pupils in developing their understanding and knowledge in Mathematics and English. Teachers will invite targeted children to attend, based on individual learning needs. Please note that booster sessions will not be held for Reception pupils. Further information will be provided by class teachers in due course. Thank you for your continued support.

### **Roald Dahl Day – Monday 15th September**

We are excited to celebrate Roald Dahl Day on Monday 15th September. This is always a wonderful opportunity to share the magic of his stories with the children. Please note that this is not a non-uniform day – pupils should come to school in their full school uniform. Thank you for your support, and we look forward to a fantastic day of reading and imagination!
