Odd Socks Day – Celebrating Uniqueness!

ODD SOCKS DAY

On Monday 10th November, our school proudly celebrated Odd Socks Day as part of Anti-Bullying Week. Pupils and staff came to school wearing their brightest, boldest, and most wonderfully mismatched socks to show that being unique is something to be celebrated. The day was a fun and colourful reminder that we are all different, and those differences make our school community stronger. Thank you to everyone who took part and helped promote kindness, acceptance, and individuality across the school.

Science in Action

Year 4 have been busy becoming young scientists! This week, they explored the bones of different animals to find out how living things are grouped. Using real and model skeletons, the children compared shapes and structures, spotting similarities and differences to help classify animals. They were fascinated to learn how bones help animals move and survive in their habitats. It was a hands-on, exciting way to bring science to life in the classroom!

Spotty and Bright for Children in Need!

Brookside Primary School was bursting with colour last week as pupils and staff came together to support Children in Need. Everyone dressed in spotty outfits, yellow accessories, and Pudsey-themed clothing to raise money and awareness for this important cause. The school community showed incredible generosity, taking part in fundraising activities and learning about the vital work Children in Need does to support young people across the UK. Classrooms were filled with excitement, kindness, and bright smiles as pupils proudly showcased their spotty styles throughout the day. A huge thank you to all families for your donations and support. Together, we helped make a meaningful difference—proving that even the smallest acts of kindness can shine the brightest!
