

Striking Success

On Monday 1st December, a group of our KS1 and KS2 pupils took part in a fun and exciting Ten-Panathlon Bowling event. The children played games, learned valuable teamwork skills, and showcased great sportsmanship throughout the session. Everyone had a fantastic time and were rewarded with medals for their participation and effort. Well done to all our pupils for representing Brookside with energy and enthusiasm!

Year 5 Enjoys Annual Trust Show at Hewens College

On Wednesday 3rd December, our Year 5 pupils were invited to Hewens College to attend their annual production. The pupils had the exciting opportunity to watch a fantastic performance of 'Fame' and participate in a meet-and-greet with the talented cast, gaining insight into the world of theatre and the hard work behind the scenes. It was a memorable experience that inspired creativity and excitement among our pupils!

Science In Action

In Year 1 Science, the children have been exploring the five senses. They have learned all about touch, taste, hearing, sight, and smell. The pupils loved investigating how each sense works, and their curiosity has sparked lots of wonderful questions! How do our eyes help us see? Why do some things taste bitter while others taste sweet? How can we smell different scents? How do our ears let us hear sounds? And how do we feel different textures? It has been fantastic to see Year 1 so excited about discovering the world through their senses!
