

R is for Roar! Our Nursery Phonics Fun

In the nursery phonics session, the children were introduced to the letter "r" in a fun, interactive way that helped them connect the sound to everyday language. The teacher first modelled the sound /r/, encouraging the children to repeat it while exaggerating the sound so they could clearly hear how it was formed. The children then practised by making the sound together while pretending to be a roaring lion or revving a racing car, which helped them remember the sound through movement and play.

The teacher then showed object and picture cards beginning with the letter "r," such as rabbit, rocket, rainbow, robot, and red, asking the children to say each word and identify the beginning sound. The children were engaged in identifying and circling pictures that began with the /r/ sound.

Firefighters Visit

On Monday, 2nd March, we kicked off Careers Week with a very special visit from the Southall Firefighters. Pupils had the exciting opportunity to learn about the different roles firefighters perform and the important work they do to keep our community safe. The children were thrilled to sit in the fire engine and even have a go with the water hose, getting a hands-on experience of a firefighter's job. It was a fantastic, interactive session that inspired curiosity and excitement about future careers. A big thank you to the Southall Firefighters for taking the time to visit and share their work with us!

Inspiring Careers Week for Key Stage Two

As part of Careers Week, our Key Stage Two pupils had two inspirational talks from remarkable professionals. First, Pavendeep, a Quality of Education Leader, shared his work across 11 secondary and 5 primary schools and his role as a Trustee driving excellence in teaching, learning, curriculum, and assessment. Pupils learned about educational leadership and were inspired by her dedication to improving schools and supporting teachers and students. Nadeem from Buddies Tour also joined the pupils live from Thailand. He shared his journey of becoming a co-founder of a travel company, running tours in Thailand and traveling to over 24 countries. The pupils were amazed by his experiences and inspired by his entrepreneurial journey. A big thank you to Pavendeep and Nadeem for sharing their stories and inspiring our pupils to dream big and explore future possibilities!
