

Rocking into the End of Term!

We ended the term on a high note with an exciting Rocksteady music session! Pupils had the fantastic opportunity to get involved, try out different instruments and experience what it's like to be part of a band. There was plenty of enthusiasm, energy and creativity as pupils had a chance to pick up an instrument and have a go at playing. It was a wonderful way to celebrate the end of term, with pupils enjoying the opportunity to make music together and showcase their talents.

Asthma Action Plans – Important Reminder

If your child has asthma, please ensure that the school has a current copy of their Asthma Action Plan. Please provide the action plan to the school office as soon as possible so that we have the most up-to-date information. If you do not currently have an Asthma Action Plan, please arrange a review with the healthcare professional who manages their asthma, whether this is your GP or hospital asthma team, and request an up-to-date plan. Having a current Asthma Action Plan helps us to understand your child's individual needs and ensures that we know what to do if they experience asthma symptoms while at school. Thank you for your support.
