

Learning Letters Through Playdough

The nursery pupils enjoyed developing their early mark-making and letter recognition skills using playdough. They carefully rolled and shaped the playdough, then used it to trace different letters. This hands-on activity helped the children practise forming letters while strengthening their fine motor skills, hand control, and coordination. The children were encouraged to recognise the letters, follow their shapes, and talk about the sounds they make.

Nursery Show and Tell

On Friday, 25th September our nursery pupils had lots of fun taking part in Show and Tell! Each child had the opportunity to bring in a special toy, object, or item from home and share it with their friends. The pupils enjoyed talking about their chosen items, explaining what they were, why they were special, and answering questions from their teachers. Show and Tell is a wonderful way to build confidence, develop communication and language skills, practise listening, and encourage

Chess

On Thursday 1st October, our children had the exciting opportunity to experience chess as a real battle! Ms Carruthers introduced our beginners to the strategies behind the game, encouraging them to imagine themselves on a real battlefield, using their tactical skills to protect their kingdom. The children thoroughly enjoyed the experience, developing their concentration, analytical thinking and problem-solving skills. Once again, Brookside has shown that an enriched curriculum extends beyond the classroom, inspiring children to learn through creativity, imagination and play.

Brookside Primary School is exploring the possibility of developing a Forest School and outdoor learning area for our pupils and wider community. As part of our planning, we are seeking feedback from parents, guardians and carers, local residents, and community members to help us understand the potential benefits, opportunities, and priorities for such a project. Your views will also help inform future funding applications. A Forest School could provide valuable opportunities for outdoor learning, wellbeing, environmental awareness, and the development of confidence and life skills through nature-based activities. We would be grateful if you could take a few minutes to complete our short consultation survey and share your thoughts. Every response counts! Enriching Wraparound Care Sessions!

In January 2026, we launched our brand-new Wraparound Care Programme—designed to make after-school hours stress-free for families and enriching for pupils. With a wide range of activities including dance, sports, creative arts, as well as mindfulness and relaxation sessions, children benefit from a safe, structured, and inspiring environment every day. We encourage all parents, guardians, and carers to explore the available sessions and secure a place for their child via iPayimpact. With flexible pick-up times, affordable pricing, and special offers available when booking multiple sessions, our programme is a fantastic way to support both busy families and happy, engaged children. Don't miss out—book now to guarantee your child's place!
