

Girls' Football Trip to Goals Hayes

On Thursday 1st October, a group of our KS2 girls had the exciting opportunity to take part in a football trip to Goals Hayes. The girls had a fantastic time developing their football skills, working as a team and enjoying an active afternoon together. It was wonderful to see their enthusiasm, confidence and determination as they took part in the activities. The trip was a great opportunity for the girls to stay active, build teamwork skills and, most importantly, have lots of fun. Well done to everyone who took part!

EYFS Stay and Play

This week, our EYFS pupils were delighted to welcome their parents, guardians and carers to our special Stay and Play sessions. It was wonderful to see families joining in with their children's learning, exploring the nursery and reception environments, and enjoying a variety of fun activities together. The children were excited to share their favourite areas of play with their grown-ups, while developing their confidence, communication, and social skills. It was lovely to see parents, guardians and carers getting involved, supporting their children's learning and creating special memories together. A big thank you to all the families who joined us—we loved having you with us.

Forest School Community Survey - Brookside Primary School

Brookside Primary School is exploring the possibility of developing a Forest School and outdoor learning area for our pupils and wider community. As part of our planning, we are seeking feedback from parents, guardians and carers, local residents, and community members to help us understand the potential benefits, opportunities, and priorities for such a project. Your views will also help inform future funding applications.

A Forest School could provide valuable opportunities for outdoor learning, wellbeing, environmental awareness, and the development of confidence and life skills through nature-based activities. We would be grateful if you could take a few minutes to complete our short consultation survey and share your thoughts.

World Mental Health Day – Saturday 10th October

This World Mental Health Day, we are reminding everyone in our school community of the importance of looking after our mental health and wellbeing. Taking time to talk, listen and check in with one another can make a real difference. We encourage our pupils, families and staff to remember that seeking support is a sign of strength, not weakness, and nobody should feel they have to face challenges alone. We want everyone across our school community to take time to check in with themselves and others, talk openly and reach out for support whenever it is needed.
