

States of Matter

Year 4 children have been learning about the states of matter and carried out an investigation into how these occur. They learnt about the differences between solids, liquids and gases by observing the melting process of chocolate at different stages with varying water temperatures.

Animal Patterns

Our Nursery children have been busy learning about which animals live in the jungle as they have been delighting over the story, *Giraffes Can't Dance*. Entranced by the animals of the jungle, our young aesthetes then created some lovely jungle animals, improving their fine motor skills whilst exploring colour and increasing their imagination.

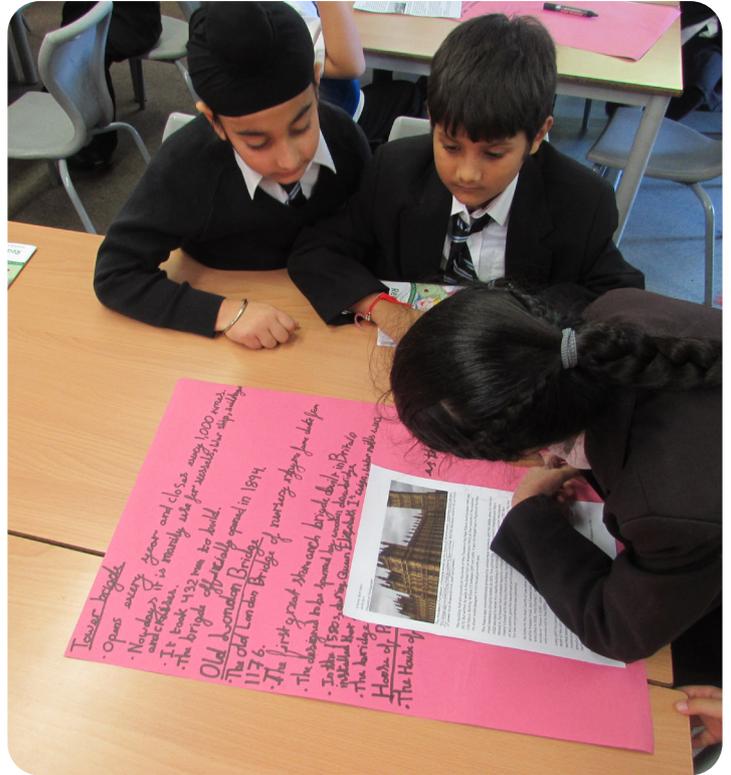

London Landmarks

The children in Year 3 have been learning about London Landmarks. They recently used their geographical and historical skills to investigate London Landmarks near the River Thames. The children worked diligently and used their knowledge of the River Thames to explain why these landmarks were built near the river and if their functions have changed over the years.

Earthquake Drill

Our Year 4 children have been learning about Earthquakes. In a recent lesson, they participated in an Earthquake drill where they had to 'Drop, Cover and Hold On'. They thoroughly enjoyed this lesson and took interest in learning about the right immediate action to take in these circumstances.

Free School Meals - Application Process

'Free School Meals' is a statutory means-tested benefit, which provides a child with meals at school for free. If you believe your child may be newly entitled to this benefit, or if they received it last year and you would like to reapply, **please attend the School Office and request an application form.**

The Free School Meals benefit does not automatically renew; it must be reapplied for each academic year.

Are You Interested in Being a Parent Governor at One of Our Schools?

The Academy Board is the regulatory authority of The Trust and as such is responsible for setting the strategic direction, at a corporate level, across the group of schools within The Trust. Each school has a Local Advisory Board (LAB) which is responsible for advising and assisting the leadership of the School with the standards of high quality teaching; reviewing and reporting on the curriculum offered with reference to national and local requirements; monitoring and reviewing the progress of children in terms of academic achievements, attendance, punctuality and behaviour benchmarked against national and local performance; actively promoting the work of each school within the community; responding to external feedback from national and local bodies to continuously improve the offering of the School and wider Academy Trust. The LAB consists of community (co-opted) members, parents, guardians, carers and staff. The skills set, expertise and commitment of each individual are fundamental, as the LAB is critical to the work of our schools and overall governance arrangements of The Trust. The School is eager to appoint two dynamic individuals as Parent Governors to support the School community in serving the entire pupil body to the best of its ability. If this opportunity interests you, please contact Sue Neave, Admin Officer, by email at trhat@trhat.org or contact the main school office where a member of staff will advise you of the procedure to follow to apply for the post. Thank you and we look forward to hearing from you!

Stay and Read

We invite parents, guardians and carers to join us for Stay and Read sessions which will take place in the classroom from Monday 18th to Thursday 21st October for all year groups. Please see the calendar for your child's session. These sessions provide you with the skills and strategies to support your child at home in improving their reading comprehension. We look forward to seeing you.

Individual School Photographs - Tuesday 19th October

The School photographer is scheduled to visit on Tuesday 19th October to take individual photographs of the children. To ensure the health and safety of our pupils, due to coronavirus (COVID-19), we are unable to provide your child with missing items of uniform on this occasion.

For those who have Physical Education (PE) on this date, please note that this lesson will be cancelled. As such, your child must attend school in full school uniform and appropriate school shoes.

Scary Mask Day - Friday 22nd October

At Brookside, we encourage children to show interest in their creative expression. On Friday 22nd October, we will be hosting a Scary Mask Day for children to showcase their creativity by designing spine-chilling, hair-raising masks to wear on the day. We kindly ask those who will be participating for a donation of £1 which will go towards resources for the School. Thank you for your support.
